CORRECTION TO PREVIOUSLY SUBMITTED INFORMATION

DISCLOSURE STATEMENT FILED

Honorable Commissioner of Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Dear Sir:

It has come to applicant's attention that the Information Disclosure Statement previously submitted on February 20, 1996 by Certificate of Mailing and received by the Patent Office on February 28, 1996 included an inadvertent typographical error. Specifically, the inventor's name of U.S. Patent No. 5,032,885 was incorrectly misspelled "Shinga." The correct spelling should be "**Shiga**." Further, the initialed Form PTO-1449 returned by the Patent Office has a line drawn through the inventor's name "Shinga," which may cause confusion concerning the consideration of this reference.

A corrected Form PTO-1449 reflecting the correct spelling of "Shiga" is attached hereto. The Examiner is requested to initial the attached PTO Form 1449 evidencing consideration of the U.S. Patent No. 5,032,885 and fully line through U.S. Patent No. 5,032,885 on the previously submitted PTO Form 1449 submitted February 20, 1996 to ensure that the correct information is printed correctly on any issued patent.

Respectfully submitted,

Eric J. Robinson
